In the past when two or more members completed one collective application, only the driver would sign the release. The secretary would then have to collect separate releases from the other applicants. All information on your application will be kept strictly confidential by Sudbury Kart Club Corp.

License applicants are required to pass a medical examination by a physician as follows:

- Every two (2) years for applicants 50 years of age and older.
- License Applicants require a medical self-declaration each year.
- If an applicant is under the age of majority in the province of application the Medical Self Declaration must also be signed by a Parent/Guardian.
